

Fee Schedule for Testing, Reports & Correspondence

These fees apply in addition to standard session rates and cover the scoring, interpretation, and written summary of completed rating scales, along with related correspondence to parents, schools, physicians, and other providers. Fees reflect both my professional time and, where applicable, the cost of the standardized instruments themselves.

Assessment Scoring & Interpretation

Service	Fee	Billed
Auto-Scored Instrument (computer-generated scoring with personalized interpretation)	\$30	<i>Flat, per instrument</i>
Manually-Scored Instrument (standard length, with personalized interpretation)	\$60	<i>Flat, per instrument</i>
Manually-Scored Instrument (extended length, with personalized interpretation)	\$80	<i>Flat, per instrument</i>

Report Writing & Provider Correspondence

Service	Fee	Billed
Written summary, letter, or report for parents, schools, physicians, or other providers	\$100	<i>Flat, covers first hour</i>
Additional time beyond first hour	\$25/15 min	<i>Billed in 15-min increments</i>
Records compilation / request processing	\$100	<i>Flat, covers first hour</i>

Assessment Packages

Bundled pricing for rating scales and reports. Individual items can still be billed separately at the rates above if a client's needs fall outside a package.

Service	Fee	Billed
ADHD Diagnostic Package — up to 2 parent + 2 teacher diagnostic forms and up to 2 impairment scales, plus a diagnostic summary report for parents, physicians, or schools	\$250	<i>Flat package (saves up to \$90)</i>
Barkley BDEFS-CA Add-On — extended-length executive functioning scale, scored and integrated into the report	\$150	<i>Flat add-on (saves \$30)</i>
All-Inclusive ADHD Package — Diagnostic Package + Barkley BDEFS-CA + 504 Accommodation Support (planning session billed separately)	\$420	<i>Flat package (saves up to \$100)</i>

A Note on These Rates

Assessment scoring, interpretation, and report writing fees are separate from session fees, are billed once work is complete, and are not covered by insurance.

Sliding scale consideration is available on request — please reach out before services begin.
